SERMON SERIES: Marriage, Divorce and Remarriage

SERMON TITLE: God’s Design

KEY TEXTS: Matthew 19:3-6 NKJV, Deuteronomy 24:1 NKJV, Genesis 2:21-25 ESV

Big Idea: Marriage was designed by God for His purpose. God’s purpose for marriage was that human beings could multiply, subdue the earth, and have dominion. Therefore, for any marriage to succeed, it has to be based on God’s design and principles. The Word of God determines how we ought to live and act in the institution of marriage.

This sermon series will help you get a better understanding on how to view Marriage, Divorce, and Remarriage from a biblical perspective.

Matthew 19:3-6 NKJV
The Pharisees also came to Him, testing Him, and saying to Him, “Is it lawful for a man to divorce his wife for just any reason?” And He answered and said to them, “Have you not read that He who made them at the beginning ‘made them male and female,’ and said, ‘For this reason, a man shall leave his father and mother and be joined to his wife, and the two shall become one flesh’? So then, they are no longer two but one flesh. Therefore, what God has joined together, let not man separate.”

God Bless You!
